23rd SUNDAY IN ORDINARY TIME (YEAR B)

4th/5th September 2021

OUR PARISH VISION

To be a welcoming community, inviting, encouraging and supporting all to have an ever-deepening relationship with Jesus. We are inspired to show God's love to the world with joy and hope.

The ecumenical celebration of the 2021 Season of Creation—themed “A home for all? Renewing the Oikos of God”—runs from 1st September, the World Day of Prayer for the Care of Creation, through to 4th October, the feast day of St. Francis of Assisi, the patron saint of ecology. During this annual celebration of prayer and action for our common home, Christians across the globe will come together for a time of restoration and hope, and to discover radically new ways of living with creation.

Pope Francis invites participation

Pope Francis has called on Catholics to act for our common home during the Season of Creation. In the Pope Video for the month of September, he encourages everyone to question the way we live, and to turn “towards lifestyles that are simpler and more respectful of the environment.” The Holy Father has also stressed that the “cry of the earth and the cry of the poor are becoming increasingly serious and alarming,” urging Catholics to take “decisive, urgent action to transform this crisis into an opportunity.” “Together with our brothers and sisters of different Christian denominations, let us pray and work for our common home in these times of grave planetary crisis,” the Pope said.

The 2021 Season of Creation comes just a few weeks before the UN Climate Change Conference (COP26), scheduled to take place from November 1-12 in Glasgow, Scotland. It also comes on the heels of a dismal, recently released UN climate report which makes it clear that we are running out of time to avert the worst effects of the ecological crisis and the climate emergency.

Participating in the Season of Creation

A statement from the Laudato Si' Movement further invites participation in the “annual celebration of prayer and action for our common home,” pointing out that Christians make up more than 25 percent of the world's population, and “they truly have the potential to change their communities and the world for good during the next five weeks.” The faithful are also encouraged to make use of the [Season of Creation Celebration Guide](#) “to show the global Christian family how they are taking action by registering their events at the Season of creation website.”

Healthy Planet, Healthy people Petition

In addition to individual and communal efforts during the Season of Creation, the Laudato Si' Movement is inviting Christians to advocate for the least among us by signing the “[Healthy planet, Healthy People](#)” petition ahead of the COP 26 meeting, in order to tell “world leaders how they should care for God's creation.”

Further resources to help Catholics gather signatures and host petition-signing events, both online and in-person are available on the Season of Creation website.

A small steering group have been studying Laudato Si; a letter from Pope Francis on Care for our Common Home. He implores us to listen to " The cry of the earth and the cry of the poor".

In response to this, we have been researching how we can work together as a parish to Live Simply, Live sustainably with creation and Live in solidarity with the poor.

With this in mind, a parish **Live Simply** Action Plan will be launched shortly.

To discover more about Laudato Si, why not watch a short video available on our website by clicking on <https://englishmartyrsrdg.com/care-for-creation/>

And for more information about our group, please contact the parish office.
